UNI-GRIP Fitting Aid

The UNI-GRIP fitting aid made of high-quality polyethylene foam is one-sided self-adhesive and lends itself to levelling up any unevennesses when wall- or floor-mounting WCs, bidets or wash-basins.

The closed-cell structure of the material rules out any water absorption and furthermore the full sound reduction is preserved. The serrated edge pattern eases adhesion to curvatures.

Simply extract the length of fitting aid wanted, cut it off and stick it in place.

Information for fitting is printed on the back of the pack.

Measurements	2 x 4.500 x 40 x 3 mm	
Article No.:	1466565	
Price at purchase of pieces:	5	on request
	from 10 pieces:	
	from 25 pieces:	
	from 50 pieces:
